NEW ICONS

We have removed from the church the statues of St Ignatius of Loyola and St Francis Xavier which are not original designed for our church. In their place will come the icons of St Ignatius and St Francis made in the very same style like St Augustin and St Bridget which are located on the first pillars just after you enter the church. The icons are going to be made in autumn. We would love to bless them the 3rd of December, on the feast of St Francis Xavier SJ. The icons will cost 60 000 kroner and will be made by the polish artist from Edinburgh, Monika Walendziak. We will be very happy if you would like to support this project. To do so you can use our bank account:
